

10 BASIC SKIP BEATS WITH 16THS

40 Skip Beats and Fills Exercises

Your aim is to master playing each beat at a slow and steady pace. Repeat as needed.

Challenge: Can you do any of these metronome speeds? 60, 70, 80, 90, 100, 110, 120.

If any speeds are way too fast, skip them for now and come back.
